Roles in Dramatic Play

Teachers: Read this passage to the students.
Students: Circle the word pretend.

Pretend play can be fun. When you are pretending, you can act like you are another person. You can also act like you are doing something else. You can pack bags and pretend to go on vacation. You can also act like you are talking on the telephone. Some people pretend to be asleep. Others pretend to be a cook in a restaurant. It is ok to act and pretend for a short time when you are playing. People know that you are just playing. So, think of something fun to pretend about and do it for a short time.
